

COCKBURN COMMUNITY GROUPS WEBSITE

WHAT IS IT?

The Cockburn Community Groups website assists the City's Residents Groups as well as small, incorporated community and not-for-profit groups, to have a web presence, advertise meetings and inform the community of activities and events.

These individual community websites are self-maintained and assist resident and community associations in improving their communication with the community under the principles of the community development strategy; to strengthen community organisation, support strong community networks and support partnerships.

ELIGIBILITY

Applications are open to:

- Cockburn Resident Associations
- Groups affiliated with a local Resident Association
- Small incorporated community and not-for-profit groups
- Group with less than \$3,000 in annual net income generated from (a) core business or (b) donations or sponsorship for operational costs
- Groups who do not have the option to affiliate to a peak body or State/National organisation or cannot access a web presence by other means
- The group's aims and objectives allow for longevity of the group beyond resolution of single issues
- Groups who have been assessed to provide community benefit in line with the Community Development Strategy
- Groups who are not a religious body
- Groups who are not a political interest group or party.
